STATE BOARD OF EDUCATION  
 Dover, Del.

December 18, 1950

Mr. Fred Bulah  
 Hockessin, Delaware

Dear Mr. Bulah:

Your letter of November 22 in which you requested transportation for your children on the school bus operating for the benefit of pupils attending the Hockessin School #29, has been considered by the State Board of Education.

It is the consensus of the State Board members that bus transportation is an integral part of a school program, and that, since the State Constitution requires separate educational facilities for colored and white children, your children may not ride on a bus serving a white school.

Very sincerely yours,

George R. Miller, Jr., Secretary
